Projects

NATOURS

- I have built a landing page for an imaginary Travel agency called Natours. I have used SASS for creating its amazing animation.
- It is completely responsive for all device sizes and Highly accessible, also optimized.

ONIX-DIGITAL

- Onix Digital is an extremely modern-looking Digital Marketing website I made recently.
- This website is completely responsive and cross-browser compatible.

WEBSITES

- Also, I have created multiple types of Responsive websites, web apps, and landing pages.
